

OIFM Fees

The Orcas Island Farmers Market Board has established the following fee structure and regulations for 2012. Additional Vendor Information and Requirements are listed at the OIFM web site: <http://www.orcasislandfarmersmarket.org>

There are three classes of vendor participation:

Full Season Subscription, in which a vendor purchases units of 10x10 booth space for an approximately 22 week (Saturday) period from May through September;

Partial Season Subscription, in which a vendor purchases units of 10x10 booth space for an 8 contiguous week period, chosen by the Vendor, from May through September;

Drop in, in which a vendor purchases a 10x10 booth space for a single Saturday.

Rules and regulations for vendor participation are posted on the web.

The fees for these classes are:

Full Season Subscription (*)	\$350/10x10 booth space
Partial Season Subscription	\$180/10x10 booth space
Drop In	\$30/ Single Saturday

(*) Permanent corner locations for Full Season Vendors pay a *supplemental* premium-location fee of \$50. For 2012 there are 8 premium-location corners. If you are interested, see MM for details.

Full Season subscription fees must be paid in full prior to April 1. Vendors who have not paid in full are not permitted to participate in the Market. There is a \$50 late payment fee for payments received after April 1 for Full Season vendors who are continuing from a previous year. Partial Season Vendors must pay in full a minimum of two weeks prior to the beginning of their 8 week "season". Partial Season vendors may not participate in the Market unless they have fully paid.

Full Season and Partial Season Vendors must notify the Market Manager by April 1 of their intention to participate in the Market.

Full and Partial Season Vendors fees include booth space and web listing.

Fees are non-refundable. Fees must be paid by check or cash. Drop in vendors must supply the same information as Annual Subscription vendors. See the Vendor Application form online at the OIFM web site.

Separate from the dates, fees and regulations shown here, OIFM has a supplemental market period in October and November, indoors, at the Orcas Island Oddfellows Hall. Additional fees and rules apply for that opportunity. See the MM.

OIFM does not own or manage the facility upon which the Farmers Market occurs. OIFM does not represent that the facility is suitable or available at all times or for any particular vendor's needs.
